“

It's been a great show – there has been a real buzz throughout, and a great atmosphere from start to finish. We sold our demo machine off the stand on the first morning, followed by a second machine sale shortly afterwards

”

Peter Morley, MD, Morclean

HOW IS MANCHESTER DIFFERENT TO THE LONDON CLEANING SHOW?

This regional event is smaller than the London event and attracts a more regional audience. To reflect this the stand costs are lower and so this event is a good introduction to exhibiting for suppliers. The exhibition stand sizes are limited so that companies are not overshadowed and to maintain a wide range of different products on show for visitors. It also means that companies who already exhibit in London can afford to do both.

As stand space is limited, we encourage you to book your space as soon as possible.

BOOK YOUR STAND

To make life easy for exhibitors all stands come prepared for you. All you need to do is turn up with your products, posters and brochures. We have furniture and graphics contractors who will help hire and print materials for you.

Stand packages

Shell scheme: £240 per sqm
Rates exclude VAT

Shell scheme includes:

Fascia name board, walls, carpet, one fluorescent light per 9sqm, one 500w electric socket.

Co-exhibitor fee: 25%

WHO WILL YOU MEET AT THE SHOW?

Now established within the North West, the third Manchester Cleaning Show is a highly-anticipated event which promises to deliver thousands of attendees ready to order products, discuss industry challenges and network. Visitors will include:

- Purchasers and distributors of cleaning equipment and services
- Experts in hygiene, with responsibility for public health
- Facilities managers from a wide range of vertical markets – hospitals, hospitality, education, care homes, local government and leisure facilities

2,411 ATTENDEES

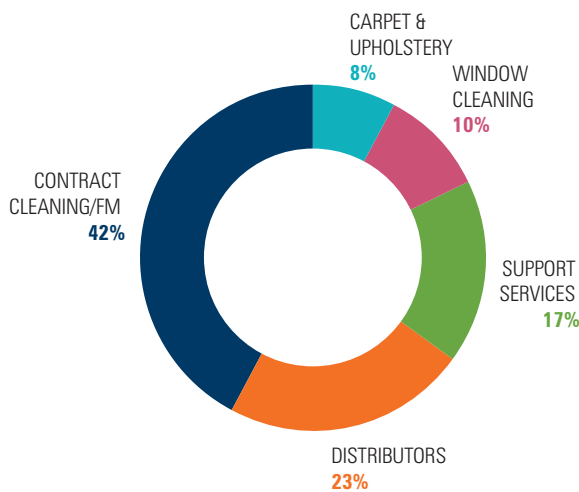

91 EXHIBITING COMPANIES

19% SPEND OVER €1 M PER YEAR ON CLEANING PRODUCTS AND SERVICES

11% EMPLOY OVER 1,000 PEOPLE

21 ASSOCIATION SUPPORTERS

STATISTICS FROM 2018

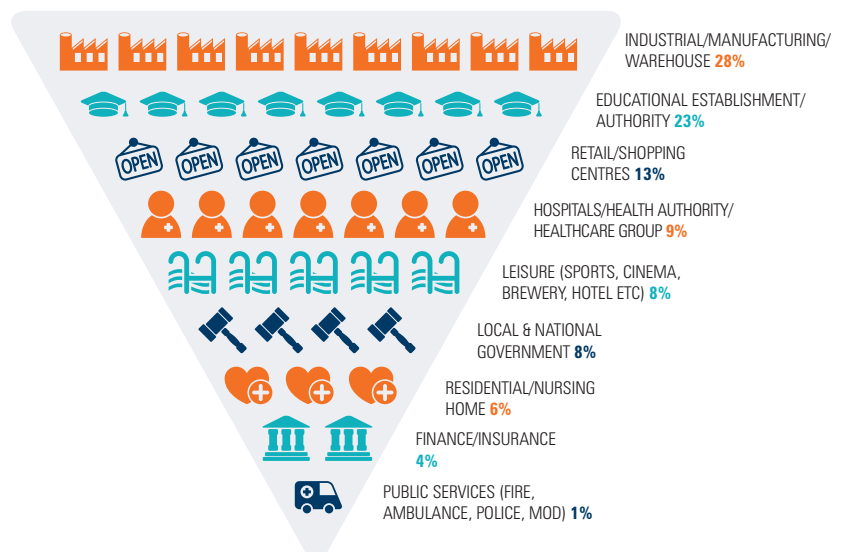

“

The Cleaning Show has once again provided us with an excellent platform to showcase our range of products and services. Over the two days, we have enjoyed welcoming existing customers to our stand as well as meeting new clients and discussing their cleaning challenges

Simon Keeping
Managing Director – UK & Ireland
Kärcher (UK) Ltd

”

VISITORS FROM VERTICAL MARKETS

“

The quality of visitors has been exceptional – we’re delighted. The turnout has been excellent, and we’ve seen every one of the major contract cleaners over the past two days. We’ve also had meetings with a number of our customers – old and new – based in the north of England

Tibor Killi, Sales Director, Killi's
